About SPA BEAUBELLE

Each of our therapies is based on the BEAUBELLE treatment principles:

REBALANCE

RENEW

RELAX

REVIVE

We offer a full range of beauty treatments, including manicures and pedicures with your choice of aromatic foot bath, along with our celebrated facials featuring the finest BEAUBELLE Swiss facial products for men and women. Our body treatments include purifying body glows with herbs, sea salts, and nourishing and toning body wraps. We combine traditional and international massage techniques designed to reduce stress and enhance the feeling of wellness.

About BEAUBELLE Products

BEAUBELLE products are innovative, safe and provide life-long solutions for all face and body care needs. Created with the purest botanical and marine active ingredients, BEAUBELLE products are free from animal-derived ingredients and undergo stringent quality control carried out under rigorous scientific conditions for maximum safety and efficacy. Our products provide the essential nutrients, vitamins and minerals necessary for optimum skin health.

BEAUBELLE Body Treatments

Slenderizing Fat Reducing Treatment

Our thermal wrap treatment helps to break down stubborn fat chambers and reduces unsightly cellulite and unwanted fat deposits. Combined with a slimming massage to further enhance lymph drainage and blood circulation, this treatment results in a more slender figure.

60 minutes

Slimming Spot Treatment

This six-part, fat slenderizing body treatment was developed to reduce the appearance of adipose tissue on one area at a time to flush excess water weight. Due to the heat treatment, you will feel the reducing cream almost immediately and see powerful results.

30 minutes

Natural Algae Detox & Rebalancing Body Wrap

This marine detox and rebalancing body wrap is enhanced with thermal effects to remove toxins from the body and simultaneously remineralize, oxygenate and nourish the skin. The wrap will fortify the skin's protection ability and improve the body's defense system against harmful aggressions and pollution.

Clear Quartz Body Essence Elixir (Luxury, Purify, Skin Saver)

Clear quartz is a powerful stone that harmonizes, balances and enhances energy and thoughts as well as purifies the spirit, mind and body.

This treatment, combined with your choice of one of the three essences, is designed through the Chi Flow application method utilizing broad strokes that help to calm the nervous system and relax muscle tension, resulting in feelings of joy.

60 minutes

Hydro Therapy Salt Scrub

A rejuvenating and nurturing body treatment that uses the healing touch and plant ingredients of BEAUBELLE to create inner calm and renew the body and senses. The treatment begins with an oil infused salt exfoliation, followed by a Vichy Shower massage to smooth and detoxify. A restorative scalp, face and body massage with a choice of any of our four BEAUBELLE massage oils completes this detoxifying experience. Excellent pre-treatment for individuals receiving slimming treatment or body massages.

BEAUBELLE Massage Therapy Styles

Half (30 minutes)

Full (60 minutes)

Deluxe (90 minutes)

Swedish

The most widely used and popular massage style was designed by the Swedes. This classic technique of long, broad, stroking movements will relieve muscle tension and will help to soothe the nervous system.

Shiatsu

A Japanese technique that uses specific meridian points, resulting in improved circulation and stimulation of nerves to relieve physical disorder.

Sports

Designed to prepare an athlete for an event or relax after a competition.

Movements are used to break down lesions, stimulate circulation, and reduce fatigue.

Reflexology

This system focuses on hands and feet, stimulating specific points that have an effect on other areas and organs of the body.

BEAUBELLE Specialty Massages

Half (30 minutes)

Full (60 minutes)

Deluxe (90 minutes)

Pregnancy

This is a nurturing and relaxing massage for the mother-to-be. Using a unique body support system, special attention is given to the comfort and stage of your pregnancy.

Aroma Fusion Stone

The stone massage is specially designed to melt away muscle tension and calm the spirit. This treatment will reduce stress, increase blood and lymph flow, as well as balance your body by utilizing aromatherapy heat from the stones, aromatherapy oils, and key energy points.

Deep Tissue

Deep tissue affects various layers of fascia that support muscle tissue to restore mobility and flexibility.

This treatment is not for everyone.

Your therapist uses deep, slow strokes sinking into the connective tissue, releasing trigger points allowing pain and discomfort to dissipate.

BEAUBELLE Esthetic Services

Customized Facial

We analyze your skin type and individual needs to provide a professional cleansing, stimulating massage, mask application, toning and moisturizing treatment to make this spa service a necessary indulgence.

*Mini (30 minutes) | Full (60 minutes)
Deluxe (90 minutes includes Intensive
Eye Treatment & Eye Mask)*

Back Facial

The skin on your back is often affected by the same kind of imbalances that impact your face. This facial includes a massage of the hands and feet, while your back receives a hydrating mask.

60 minutes

Oxygenating Spa Aroma Facial

This treatment stimulates your body's utilization of oxygen, the most powerful purifying and anti-aging agent, to help rebuild the skin's elasticity and firmness. During the facial, the appropriate complex and pure oxygen are infused onto the skin. You will be offered pure oxygen to breathe in for promoting detoxification. These two steps make our Oxygen Facial treatment very effective and unique.

Pigment Neutralizing Facial

The main ingredient in this cold mask --- Mandarin Orange essential oil --- has a calming and whitening effect due to its high content of vitamin C. This facial is recommended for post-surgery clients to help heal and reduce post-surgical scarring.

60 minutes | 90 minutes

Rejuvenation Facial

A powerful moisturizing facial with spirulina for all skin types, especially fragile, easily irritated skin. Let powerful active ingredients rejuvenate your skin while you are relaxing and getting pampered.

60 minutes | 90 minutes

Intensive Eye Treatment

The signs of aging are often noticed first around the eyes. Advanced eye care is designed to nourish the delicate tissue around the eye to counteract the effects of aging. Through the use of special massage techniques and masks, the areas around the eyes are re-hydrated and contoured to reduce puffiness using a collagen BioMatrix full eye mask.
