Wedding Cake Worksheet

No matter how big your Wedding is, it won't be complete without the Wedding Cake! The design and flavor should reflect the style of the wedding as much as a couple's taste. Choosing your baker is an important task that we've done for you. Our Baker is a Pastry Artist who is well known throughout St. Thomas and St. John for delectable baked goods and wedding cakes.

Finding the perfect wedding cake is only a few bridal catalogs, web sites and cake books away. Once you have found a photo of the Wedding Cake of your dreams, send it along with this completed form to your Wedding Consultant who will give you a price estimate and place your order. Due to the heat and humidity in St. John, there are certain pastry techniques that are not conducive to these conditions. If a request is made that can not be duplicated, our Pastry Chef will suggest an alternative product or technique. Please keep in mind, it is our goal to duplicate the photo you provide us to the best of our ability.
